KOKOMO GAS JOINS GOVERNOR MITCH DANIELS TO RECOGNIZE NATIONAL SAFE DIGGING MONTH

CUSTOMERS URGED TO CALL 811 BEFORE DIGGING

KOKOMO, Ind. – Kokomo Gas & Fuel joins Governor Mitch Daniels and the Common Ground Alliance in recognizing the month of April as National Safe Digging Month, which is dedicated to increasing awareness of safe digging practices across the country and to promote use of the Indiana 811 call-before-you-dig number.

“Kokomo Gas is committed to keeping customers safe when starting any outdoor digging project, large or small,” said Dave Salmons, Operations Manager. “Since the month of April is a busy time for digging projects, we are encouraging homeowners and contractors to call the convenient 811 number before they dig to prevent injuries, property damage and inconvenient outages.”

Failure to call 811 before digging results in more than 256,000 unintentional utility damages annually across the country — an average of 700 incidents per day.

Whether Hoosiers are planning on planting trees, building a deck, installing a mailbox or any other project that involves digging, Indiana 811 offers the following recommendations for a busy digging season:

- Always call 811 before digging, regardless of the depth or familiarity with the property.
- Tell neighbors, co-workers, family and friends about 811 if they discuss their plans for an outdoor home improvement project with you.
- Plan ahead – Indiana 811 is always open. Just make sure you call at least two working days in advance of your project start date.
- Avoid starting projects until you’re sure all lines are marked. If you’re unsure, confirm that all lines have been marked by contacting Indiana 811.
- Choose another location on the property for a project if the original planned site is near utility line markings.

- If your excavation is within two feet of the marked facility, you must only use hand tools with extreme caution.
- If a contractor has been hired, confirm that a call to 811 has been made. Don't allow work to begin if the lines aren't marked.

Visit www.indiana811.org for more information about 811 and the call-before-you-dig process.

About Kokomo Gas & Fuel

Kokomo Gas & Fuel, with headquarters in Kokomo, Ind., serves 36,000 natural gas customers in a six-county area and is one of the 10 energy distribution companies of NiSource, Inc. (NYSE: NI).
