KOKOMO GAS OFFERS NEW ON-LINE ACCOUNT MANAGEMENT AND SERVICES

KOKOMO, Ind. – Kokomo Gas & Fuel is pleased to announce new enhancements to www.kokomogas.com that will now allow customers to manage their accounts on-line.

Residential customers now have convenient access to paying their bill on-line or signing up for other electronic billing and payment services such as the Budget Plan. In addition, customers can access their account history, including when their last payment was received, amount due on their current bill and the date the current bill is to be paid, as well as retrieve previous bills for the past 13 months.

“Kokomo Gas’ new on-line payment option is a safe, secure and convenient method by which customers can manage their account online,” said Guy Ausmus, Senior Vice President of Customer Engagement for Kokomo Gas. “We are committed to providing customers with tools and services that will help add value to their daily lives.”

The Kokomo Gas on-line account management system – which uses firewalls, encryption and authentication procedures to protect customer information – can be found at the top of the Kokomo Gas website at www.kokomogas.com.

To setup an on-line account, a customer must first click on “Register Today” and create a user profile for the site. To register an account, a customer should have an account number, as well as the primary account holder’s date of birth and Social Security number. There’s no charge to register an account.

For additional questions customers may call 1-888-4KOKGAS (1-888-456-5427) 24 hours a day, 7 days a week.

Kokomo Gas & Fuel, with headquarters in Kokomo, Ind., serves 36,000 natural gas customers in a six-county area and is one of the 10 energy distribution companies of NiSource, Inc. (NYSE: NI). NiSource distribution companies serve 3.8 million natural gas and electric customers primarily in nine states. More information about Kokomo Gas & Fuel is available at www.kokomogas.com.
